

The background features three large, overlapping, organic shapes. A light purple shape is on the left, a dark green shape is at the top right, and an orange shape is at the bottom right. The text is centered within the purple shape.

Similarities and differences in spending free time in Mazovia and Andalusia

Similarities

Similarities between
Mazovia and
Andalusia

Free time on school days

WE STUDY

during the week we study for our upcoming tests, and we do our homework

WE WATCH TV

After doing our homework and studying we usually watch some TV. Most of young people watch streaming services instead of regular TV. The most popular shows at the moment are *The Last of us*, *The walking dead* or *Stranger things*.

ON AIR

**Free time during
the weekend**

WE HANG OUT WITH FRIENDS

**In Poland and Spain
when people have more
free time they meet their
friends and do fun
activities such as going
for a walk, going to the
cinema or a mall.**

WE SPEND TIME WITH OUR CLOSE FAMILY

We spend time with our brothers and sisters or mom and dad. We usually go for a walk or we cook something together

Differences

**differences between Mazovia
and Andalusia**

Free time on school days

WE PLAY SPORTS

In Mazovia kids and adults don't play sports as much as Andalusians do.

In both regions football is the most popular sport but in Spain people like it way more.

WE ARE LISTENING TO MUSIC

In Poland, the most popular genres of music are Rap, Trap, Pop and Disco Polo. In south of Spain people also listen to their own Rap, Trap and Pop artists but they have more interesting genres that you can't find in Poland

**Free time during
holidays**

WE COOK

During our holidays in Poland we make delicious meals. For Christmas we make lots of dishes such as:

- dumplings with mushrooms and cabbagee

- Christmas Eve fried carp

- dried fruit compote.

In Spain they also have their Christmas Eve dishes but they are much different to the Polish ones

such as

- Tetilla Cheese

- grilled shrimps

- Picadillo soup

WE CULTIVATE TRADITIONS

During Christmas people in Poland are singing , share a special wafer, give each other presents or put hay under the table ware. In Spain people have their own traditions such as playing a Christmas lottery or making their own little stable.
